

As we enter the week of Christmas, it seems only fitting to point out the obvious:

Jesus WAS and IS a World Changer!

Think about it. He was sent to earth to ultimately provide salvation for all who believe. The world changed the day He was born, and that's what Christmas is all about! He was born of a virgin, lived a perfect life, and suffered a terrible death. But we are so thankful His world changing story didn't stop with the cross! When He rose from the dead, He conquered sin and death and made a way for us all to have His free gift of salvation!

Consider all the stories in the Bible where Jesus went to the people or commanded us to go reach the people. In Matthew 9, He went into the cities and villages, reaching the unreached. In John 4, He talked with the Samaritan woman at the well. In Luke 14, He calls us to go out to the roads and country lanes, compelling people to come in so that His house will be full. And in Matthew 19, He told the disciples to allow the children to have direct access to Him. In these examples and more, the command is clear: Go to the people who need to hear the world changing message of the Gospel!

And here at KiDs Beach Club®, that's exactly what we are doing. We are following Father's world changing call. We are immersed in efforts across the country and globe to reach the children. Our volunteers and church partners are going into the highways and byways, the city schools and country schools, proclaiming the world changing message of the Gospel. KiDs Beach Club® TV is being broadcast via satellite into remote areas where we cannot physically go, and every single episode shares how the viewers can make Jesus their Forever Friend!

Why do we do what we do? Because just like Jesus, we want all children to have direct access to Him. We are responding to the call on our founder Jack's life to start this world changing ministry called KiDs Beach Club®. We are committed to giving every preteen boy and girl an opportunity for a Jesus experience, locally and globally.

But we can't do this without your continued help. We believe God has called us all to join Him in the effort to be world changers. As the year comes to a close, will you prayerfully consider making a special year-end gift? Perhaps God would even lead you to begin partnering with us by committing to a monthly recurring gift. We are so grateful for each of you who partner with us, following His call to reach every preteen boy and girl!

Merry Christmas!

May Father bless you and your family richly for your continued generosity!
