FIRST INTERNATIONAL BEACH CLUB® TO LAUNCH

This has been in the works for quite some time, but the news is too good to keep under wraps any longer!

The very first international Beach Club® is set to launch in Guadalajara, Mexico, thanks to one of our new partners IdeasWorld.org

This is exciting news, and we don't have any more details to share right now, but be on the lookout for future updates! We pray this is the first of many international clubs in the future!

THE HANG 10 "GLOBAL" CHALLENGE

KiDs Beach Club® Hang 10

HANGING OUT WITH GOD 10 MINUTES A DAY

Spending at least 10 minutes each day, reading the Bible and praying is what we call "The Hang 10 Challenge." It has been a staple in our clubs for years, but with the launch of KiDs Beach Club® Television into international markets, the Hang 10 Challenge has expanded into a global initiative.

On April 22, 2022, a family in Chennai, India, signed up for the challenge. The next day, another family in Bangalore, India, signed up. Over the next few months, more global families joined the challenge. That trend continues as the KiDs Beach Club® Television show airs globally. We've now heard from families in Australia, India, Sri Lanka, United Arab Emirates, and from 29 U.S. states totaling 419 total family members who have committed to take the Hang 10 Challenge! (And this number doesn't even include all those who weekly take the challenge, plus others we've heard from in Argentina, Kenya, and more!)

Continuing our Hang 10 global reach is not possible without your continued financial support that helps us PRESS ON.

KBC-TV: 200 COUNTRIES, TWICE WEEKLY!

Through KiDs Beach Club® Television (KBC-TV) and our international television partners like Inspiration TV, Angel TV, GOOD TV (and more), and our distributor BMG Global, KiDs Beach Club® Television is now being broadcast into 200 different countries, twice each week!

Soon that number will be even higher, thanks to our partnership with Iran Alive Ministries. The show is currently being dubbed into Farsi, the language spoken in Iran and several other middle eastern countries. Once completed, it will be pushed over the airwaves and available to six million daily viewers on Shabakeh 7 (Channel 7). The Farsi dubbing project is not yet fully funded, yet we've already seen the powerful effect the show can have! Yasaman, one of the Farsi voice-over actors heard the Gospel and made the personal decision to invite Christ into her life! Be sure to check out her video testimony!

Friends, this is what it's all about: Giving a Jesus Experience locally, nationally, and globally! We are so humbled that God would allow our little show to have such a grand impact on the global stage! **AND WE NEED YOUR HELP TO FINISH THIS PROJECT!** Next on the horizon, as God provides the funds, will be dubbing into Spanish, Portuguese, and Urdu!
