Giving Every Preteen Boy and Girl a Jesus Experience

LOCALLY, NATIONALLY, GLOBALLY

TOGETHER, WE PRESS ON!

PRESSING ON...LOCALLY

If you are even remotely familiar with KiDs Beach Club® (KBC), you will know that 20 years ago, our roots began in the **LOCAL** church. Our founder and CEO Jack Terrell was a children's pastor at a large church in the Dallas/Ft. Worth (TX) area. His pastor at the time challenged him to take the ministry outside the walls of the church, with that challenge ultimately leading to the birth of KBC.

Originally, the heartbeat of KBC was solely to make Jesus Cool at School™ by partnering with churches to reach their local communities. Yes, we are now a national and international ministry, but that original vision for **LOCAL** church partnership remains at the heartbeat of the ministry!

Galatians 6:9 tells us to not be weary in well-doing, for in time, we will reap a harvest. Friends, because we continue to **PRESS ON**, we are seeing the harvest! **BECAUSE OF YOUR PARTNERSHIP, YOU ARE REAPING THE HARVEST!** To date, a 9,892 precious children have made Jesus their Forever Friend in a **LOCAL** Club! Bibles have been given to 74,695 children in a **LOCAL** Club!

But wait - there's more! Numbers are good, yes, but when we hear firsthand stories about what God is doing through the **LOCAL** ministry of KiDs Beach Club®, we get even more excited!

Pastor Ray Baldwin with Turning Point Church recently shared this update with our team about God working **locally** as a result of Beach Club®.

"A month ago, we started talking about being thankful for our school and teachers. We challenged the children to tell their teachers 'thank you' for all they do. We also asked them to specifically pray for their teachers. The children began asking their teachers if they could pray for them. Each one said 'yes' and right there, the children stopped and prayed out loud for their teachers, both in class and in the hallway! A few weeks ago, Nancy and myself were asked if we would be willing to share with each grade level during their lunch time. We started last Thursday and spoke to every class and grade level for 15 minutes at a time. It's now going to happen EVERY Thursday during lunch! ...What an unprecedented opportunity to touch our school! ...So thankful for favor and Beach Club®!"

If you've kept up with our newsletters, you may recall hearing how God moved in the heart of Maelynn Garver to reach her classmates with the Gospel. This fourth grader's sensitivity to reaching her friends resulted in KBC's first partner church in Colorado! God is doing amazing things for sure in **LOCAL** Clubs!

But did you know that the our church partner fees cover only a fraction of the costs associated with operating a Beach Club®? In reality, day after day, we are able to PRESS ON because of YOUR GIFTS. Giving is down among non-profits nationwide, and that includes KiDs Beach Club®. With your help, we can finish strong and overcome the deficit we are facing.

Will you stop right now and pray about making an end-of-year financial gift?

We realize the answer to this prayer will look differently for everyone. It may mean sacrifice. For some, it may simply be a matter of taking action to follow-through. For others, it may mean

committing to become a monthly partner (a KBC GEM: Give Every Month.)

Please pray, and then follow-through with how Father leads you to give.

Your gift today, no matter how small or large,
will help us continue giving preteens a Jesus experience!

Thank you for **PRESSING ON** with us to reach preteens
LOCALLY, NATIONALLY, and GLOBALLY!

If your church does not currently partner with us, please share this communication with your pastor, children's pastor, and/or missions team (or all three!) We've included a few testimonial videos from others who have partnered, including Pastor Ray Baldwin (and wife Nancy) sharing how God continues to use them to reach their LOCAL community because of the open doors provided by loving on their school through KiDs Beach Club®!
